

CORRIGENDUM ON TENDER CALL NOTICE No .3030(Exam.Conf-1) Dt.17.12.2025

No. 3085 / (Exam.Conf-1) Dt- 26.12.2025

Considering the suggestions of participants at Pre-bid meetings the following corrigendum is incorporated .

1-The Nodal/Exam centre/BSE will provide the Internet Bandwidth, Local System & Cameras in every Nodal & Exam centre. However , in those Nodal/Exam Centres, if these facilities are not available or not functional , the service provider should be ready to provide these on emergency basis , within the existing payment system/ cost on negotiation basis.

2-The service provider have to install minimum one no. CCTV camera in around 75 nos of Nodal centres , if not available or as directed by BSE.

BSE Odisha shall give the list of these centres.

3-If Bidder is not the OEM , he should provide a Manufacture Authorisation Form (MAF) from the OEM specific to this bid clearly mentioning customer details.

4-Clarification on the point no. i of Bidder pre-qualification criteria regarding the period of the last three years experience to be taken in to consideration. i.e-for the financial year 2022-23 , 2023-24, and 2024-25 and onwards .

5-The duration of Live web streaming of Examination as well as setting of ICCC will be from 17.02.2026 to 07.03.2026 as the Examination will be held on from 19.02.2026 to 02.03.2026.

6-The analytical alert system will be the standard alert systems used in various examination process.

7-Considering the request of participants the authorities of BSE pleased to extend the due date for submission of bids as details-
